The saints' predictions of the future are concrete proofs of God. about world war 3, armageddon, different people at different times can “TELL THE SAME THINGS” it is because God showed them. an intelligent person can understand whether the future news is true or false. News about the future, prophecies are solid proofs of God. It is possible to foretell the future hundreds, tens, hundreds of years in advance by God showing the events. There is no future in a world without religion. but the prophets predicted the 3rd world war thousands of years in advance. The Prophet of Islam= Prophet Muhammad has a lot of information and narratives about the 3rd world war, armageddon and the time before the apocalypse.
